PROFESSIONAL PROFILE

Senior CMS developer and DevOps-focused web professional with **8+ years** across web engineering, IT and digital operations — including 5+ years of focused CMS and full-stack development. Hands-on across WordPress, WooCommerce, Shopify and custom PHP, with strong DevOps, AWS cloud and workflow-automation experience. I own delivery end to end: from requirements and design hand-off through secure deployment, performance, accessibility and ongoing support.

EXPERIENCE

Senior CMS Developer / DevOps Specialist 2026 – Present
Chameleon Ideas Inc. — Karachi

- Build and maintain production CMS websites (WordPress, WooCommerce, custom PHP) and reusable, scalable content structures.
- Own DevOps: hosting, DNS/SSL, backups, migrations, CI/CD deployment support and production troubleshooting.
- Provide senior technical ownership across critical delivery milestones.

Senior Software Developer / Team Lead 2024 – 2026
Websity Digital — Karachi

- Led technical delivery for agency projects across WordPress, WooCommerce, Webflow and Shopify.
- Architected SEO-optimised sites with custom themes, ACF/CPT models and optimised frontend assets.
- Managed AWS Lightsail environments, deployments, SSL/DNS, uptime and CI/CD release quality.

Senior CMS & Web Developer 2022 – 2024
Krystosoft — Karachi

- Built and maintained CMS sites for international clients (WordPress, Shopify, Webflow, custom PHP/JS).
- Implemented migrations, hosting, SSL and production support; mentored junior developers.

Full-Stack & CMS Developer 2022
Novatex / Nextac / Logicose — Hybrid

- Delivered full-stack & CMS assignments — custom WordPress themes, WooCommerce, responsive builds from Figma/XD.

Software Developer 2021 – 2022
Mystic Advertising — Karachi

- Managed WordPress & Shopify sites — theme customisation, Elementor builds, e-commerce setup and performance.

Frontend Web Developer 2020 – 2021
Nisshinbo Holdings — Remote

- Developed and maintained ASP.NET MVC and frontend components; responsive fixes and performance optimisation.

EDUCATION

Bachelor of Software Engineering — Iqra University, Pakistan · 2022 · CGPA 3.16
